COMMUNITY & GLOBAL PRAYER REQUESTS

- All deployed Military members & their families at home — we appreciate their sacrifices for God and Country. May God's glory shine and fill them with strength & peace.
- HomeBound - God minister to their spirits and bodies
- Prayer for some "BELIEVERS" in our community that are wandering (whether in mind or body) looking for a church home — may God show them a new home or cut down the hedges that keep them separated and let them return where they have been were planted. (RR)
- Pray for IN-Reach & OUT-Reach success in small steps to minister to the hurting and lost we see everyday around us.

“Pray one for another
 that ye may be healed.”

James 5:16
